Pacific Wildlife Care / California Department of Fish and Game

MOU SIGNATURE PAGE

The California Department of Fish and Game is the state agency responsible for licensing wildlife rehabilitation organizations in the State of California. A Memorandum of Understanding (MOU) exists between Pacific Wildlife Care and the California Department of Fish and Game that provides specific conditions under which Pacific Wildlife Care and its volunteers are licensed to care for and rehabilitate wildlife. A violation of the MOU could result in the loss of wildlife handling privileges of the volunteer who committed the violation (s) and the rescinding of Pacific Wildlife Care's wildlife rehabilitation permit.

One of the California Department of Fish and Game MOU requirements for Pacific Wildlife Care volunteers is for Pacific Wildlife Care to have an agreement on file signed by you affirming that you understand and will abide by the terms and conditions of the current Memorandum of Understanding. Please sign this signature page and return it to Pacific Wildlife Care, P.O. Box 3257, San Luis Obispo, CA 93403. By signing this signature page, you are agreeing to comply with all the conditions of the Department of Fish and Game Memorandum of Understanding and the Wildlife Rehabilitation and Care Standards, and acknowledge that your privilege to work with wildlife may be revoked if you are found in violation of this MOU.

I hereby verify that I have read, understand, and will comply with all the conditions of the Memorandum of Understanding between Pacific Wildlife Care and the California Department of Fish and Game for the Purpose of Wildlife Rehabilitation (MOU dated 31 March 2011; expiring 31 March 2014) and with the provisions of Section 679, Title 14, of the California Code of Regulations (Wildlife Rehabilitation and Care Standards).
